

New Name – Same Great Product!

zipForm 6 Class

Thursday, April 1, 2010

1:30-4:30 p.m.

****New Location**** GAVAR/ 1112 W. Ave. M-4, Palmdale **Certified Instructor: Dave Slover**

WINForms® is becoming zipForm® 6

WINForms® electronic forms software will undergo a major upgrade later this year, transitioning into zipForm® 6, a high-performance tool that simplifies the form completion process. Available in two versions -- the Professional Edition and the Standard Edition -- zipForm® 6 enables users to complete the most complicated real estate forms in a matter of minutes.

The zipForm® 6 Professional Edition (formerly WINForms Online®), allows users to log onto any computer to access the software. zipform® 6 Standard Edition, formerly WINForms® Desktop, is an offline version of zipForm® 6, and saves all program files, settings, and transactions locally instead of online. Software installation is required to utilize the desktop version.

UPGRADING IS EASY

- **All WINForms users must upgrade to zipForm 6 by March 31, 2010**
- **Beginning April 1, access to WINForms will be terminated.**
- **Upgrading from WINForms to zipForm 6 is not automatic.**
- **Users will need to manually upgrade.**
- **All users, including those who already upgraded, must renew their user license to continue receiving access to this valuable resource.**
- **Transactions in WINForms accounts will not be lost when upgrading to zipForm 6**

You must R.S.V.P. and pre-pay at the GAVAR office or on-line at www.gavar.org.

**REALTORS -\$10.00 / Non-REALTORS, Assistants \$15.00 Seating is limited.
No walk-ins please.**
