

NEW DEVICE REGISTRATION INFORMATION

As a friendly reminder if you get a new phone or change phone devices you need to contact GAVAR staff to provide you with a new device registration. You are only allowed to register 1 device at a time.

The GAVAR office is open to answer calls, Monday-Friday 9:00a.m. -4:00p.m. (with the exception of Holidays), and we go to lunch from 12:15p.m. 1:00p.m. Please call us at 661-726-9175.

If you know you will be getting a new phone over the weekend, please make the necessary arrangements to contact us prior to changing your phone out so you don't lose access to your key.
