The California Department of Real Estate (DRE) has promulgated "Guidelines" on what unlicensed assistants may and may not do. The guidelines provide a safe harbor such that voluntary compliance will not subject licensees to DRE challenge:

Under the guidelines, unlicensed Assistants may not:

- 1.Show or exhibit property
2.Discuss terms or conditions of a possible sale
3.Discuss other features of the property such as location, neighborhood, schools
4.Engage in other conduct which "is used, designed, or structured for solicitation purposes..."
5.Attempt to induce the prospective client
6.Give any Multiple Listing Service information to the public
7.Provide information about a property unless obtained from a data sheet prepared by a licensee or a principal and that fact is revealed to the person requesting the information
8.Discuss the content, relevance, importance, or significance of the documents or instruments being prepared, delivered, or signed with a principle or service provider
