

**TLC Charitable Giving Fund  
Established in 1988**

**On average, annually over 4,000 bears are distributed to various local health care facilities in the Antelope Valley. These bears give comfort to traumatized, abuse, gravely ill and injured patients of all ages.**

**The program has been going strong by generous donations of GAVAR Members. It has also received national recognition from N.A.R. (National Association of REALTORS®)**

**If you would like to help keep this great program reaching our community, [click here](#). Donations begin at \$5.00**
